All products are non-GMO and are raised with the greatest care.

How much does it cost?

A full share for the 2017 season costs \$600 which entitles you to a Killam & Bassette Farmstead Credit Card with \$675 on it or, if you don't need that much product, you can purchase a half share for \$350 which entitles you to a Killam & Bassette Farmstead Credit Card with \$400 on it.

How do I become a member?

Complete & send in the CSA Application with payment. Once final payment is received, you will receive your Killam & Bassette Credit Card & shopping bag & you can start shopping!

What are the benefits?

As a member, you will receive a share of Killam & Bassette Farmstead's quality products. Our produce is picked fresh daily, our free range eggs are pulled from the coop each day, and our award winning canned goods are made that week - which are made only from the produce on our farm! We also offer our all natural, USDA pork/chicken that is raised with no growth hormones, nitrates, steroids, or artificial ingredients. All animals are very happy & free range. Everything is as fresh as if you picked it yourself and delivers the most nutrients to you, our customer. You can taste the difference! As always, *"Keep it Local, Keep it Fresh!"*

What are the risks?

We are committed to provide you with the highest quality products but there are risks in agriculture (Mother Nature's whims, disease, pests, etc) that need to be shared by the whole community. Your payment entitles you to a share of the produce we harvest during the relevant growing season.
